

## How the 'Good Neighbour' scheme works

The Boughton 'Good Neighbour' scheme will be advertised across the

Parish:

- There will be a dedicated telephone number for the scheme.
- The scheme will advertise the services it is able to offer.
- Anyone living in the Parish can call to ask for help.
- The co-ordinator taking the call will match the request to an appropriate volunteer who has agreed to help with the service requested.
- Once an appropriate volunteer has been identified, they will call the person requesting help and arrange a date and time to visit.

## Questionnaire

We all need help occasionally – regardless of age or circumstances! Volunteers in this area are considering launching a Good Neighbour Scheme aimed at helping to make life easier for people in this community. The scheme will link local people in need of a 'helping hand' with local people willing to donate time and services.

- Are there any small jobs you need help with that you cannot do for yourself such as tidying the garden, form filling, minor household repairs, shopping or using the computer?
- Do you have a couple of hours a week that you could donate to the Good Neighbours Scheme?

Anybody volunteering will be fully supported. You decide how much time you can spare, when you can spare it and what you can do – even if it's answering the phone from home. To help us, we would like to know if:

A - You may want to use the Good Neighbour Scheme at some time **and/or**

B - Whether you would like to volunteer a few hours to help.

**You can do both!**

Please complete this short questionnaire and return to the collection points shown on the back page. If you have any questions, contact details are on the back page.

**A Would you **USE** a Good Neighbour Scheme for help?**

If so, please tick 'Yes' below where you might need help.
